How to Apply for A Permit

Obtain an Application for Concealed Weapon or Firearm License by filling out [an online request form for applications](#) or by contacting any of our offices. The application packet includes the form to be filled out, a copy of Chapter 790, Florida Statutes, a fingerprint card, and a return envelope for the completed application. The information provided below is an overview of the application process. Additional information is provided in the [application instructions](#) booklet included with your application.

- Read and study the copy of Chapter 790, Florida Statutes.
- Have a passport-style, color photograph made.
- Get verification of training that satisfies the training requirement. The application lists acceptable documents. Make a photocopy to send with the application as an original cannot be returned. Persons serving in the United States Armed Forces may submit a copy of their Military ID Card to satisfy the training requirement.
- Get certified copies of court documents relating to any criminal charges against you.
- Take the fingerprint card to a local law enforcement agency and ask to be fingerprinted. In addition to providing fingerprinting services for the traditional "hard-card" format, electronic fingerprint devices are available at almost all 67 county sheriff's offices in the state. Visit the

[Electronic Fingerprints Information page](#) to learn how Live Scan fingerprinting saves processing time.

- Complete the application. Either print clearly with ink or type the information.
- In the presence of a notary, sign application.
- Submit a check or money order for the license fee payable to the Florida Department of Agriculture and Consumer Services. This fee is not refundable.
- Assemble everything:
 - Envelope
 - Fee
 - Photograph
 - Fingerprint card or proof that your fingerprints were submitted [electronically](#) by the sheriff's office using Live Scan (along with proof that you paid the sheriff's office or the Florida Department of Law Enforcement for the service).
 - Proof of training
 - Certified court documents (if any)
 - Application with notarized signature
- Mail to Florida Department of Agriculture and Consumer Services, Division of Licensing, P.O. Box 6687, Tallahassee, FL 32314.

790.062 Members and veterans of United States Armed Forces; exceptions from licensure provisions

(1) Notwithstanding s. 790.06(2)(b), the Department of Agriculture and Consumer Services shall issue a license to carry a concealed weapon or firearm under s. 790.06 if the applicant is otherwise qualified and:

- (a) Is a service member, as defined in s. 250.01; or
- (b) Is a veteran of the United States Armed Forces who was discharged under honorable conditions.

(2) The Department of Agriculture and Consumer Services shall accept fingerprints of an applicant under this section administered by any law enforcement agency, military provost, or other military unit charged with law enforcement duties or as otherwise provided for in 790.06(5)(c).

Note: Members of the Armed Forces or Veterans 18-20 can apply for a FL Permit/License.

Note to Service Members: (Received this from an NCO/NRA Instructor) I am NRA Instructor and handle a good volume of Florida applications. In regards to Military ID, it is better for them to submit a copy of their Basic Training Record (BTR) that shows their pistol qualification, along with the ID. They are having these guys and gals submit this stuff with the understanding they have proficiency training, and most do not. This can come up as an issue, as some of the people who process these things have different opinions on "equivalency". It's as easy as a military member logging on their government email, and pressing print. It's a one page document showing their pistol qual. I highly recommend you edit this down to a sentence and enclose it in your PDF example "Military members are recommended to submit copy of pistol qual (BTR) with Copy Mil ID Card to satisfy training requirement." This will iron out any future problems they might encounter.

Note: FL will only issue you a Permit/License if you are living in the United States. Even US Citizens living outside the USA will be denied. Military serving overseas can apply. Florida is also no longer putting your address on the Permit/Licenses they issue.

Non-Resident Permits

Non-Residents apply the same way as residents. Follow the instructions in the Resident permit section.
www.handgunlaw.us

- Two items to pay special attention to. If it says Signature of FL Notary any Notary can sign there. It does not have to be a FL Notary.
- Non Residents must submit the paper Fingerprint Cards. A Law Enforcement Agency must take those prints for you. Your Local PD or Sheriff can do that for you. They may have a slight charge. Make sure on the back of the card where it states “Location” the Name and Address of the Agency taking the prints must be entered there. If this is left blank they will return it.

For Federal Restrictions on Firearms see the [USA Page](#).

Do "No Gun Signs" Have the Force of Law?

"NO"

"Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the [No Guns = No Money Cards](#) and give one to the owner of the establishment that has the signage." As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them."

"No Firearm" signs in Florida have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

Parking Lot Storage Law

790.251 Protection of the right to keep and bear arms in motor vehicles for self-defense and other lawful purposes; prohibited acts; duty of public and private employers; immunity from liability; enforcement.--

(1) **SHORT TITLE.**--This section may be cited as the "Preservation and Protection of the Right to Keep and Bear Arms in Motor Vehicles Act of 2008."

(2) **DEFINITIONS.**--As used in this section, the term:

(a) "Parking lot" means any property that is used for parking motor vehicles and is available to customers, employees, or invitees for temporary or long-term parking or storage of motor vehicles.

(b) "Motor vehicle" means any automobile, truck, minivan, sports utility vehicle, motor home, recreational vehicle, motorcycle, motor scooter, or any other vehicle operated on the roads of this state and required to be registered under state law.

(c) "Employee" means any person who possesses a valid license issued pursuant to s. [790.06](#) and:

1. Works for salary, wages, or other remuneration;
2. Is an independent contractor; or
3. Is a volunteer, intern, or other similar individual for an employer.

(d) "Employer" means any business that is a sole proprietorship, partnership, corporation, limited liability company, professional association, cooperative, joint venture, trust, firm, institution, or association, or public sector entity, that has employees.

(e) "Invitee" means any business invitee, including a customer or visitor, who is lawfully on the premises of a public or private employer.

As used in this section, the term "firearm" includes ammunition and accoutrements attendant to the lawful possession and use of a firearm.

(3) **LEGISLATIVE INTENT; FINDINGS.**--This act is intended to codify the long-standing legislative policy of the state that individual citizens have a constitutional right to keep and bear arms, that they have a constitutional right to possess and keep legally owned firearms within their motor vehicles for self-defense and other lawful purposes, and that these rights are not abrogated by virtue of a citizen becoming a customer, employee, or invitee of a business entity. It is the finding of the Legislature that a citizen's lawful possession, transportation, and secure keeping of firearms and ammunition within his or her motor vehicle is essential to the exercise of the fundamental constitutional right to keep and bear arms and the constitutional right of self-defense. The Legislature finds that protecting and preserving these rights is essential to the exercise of freedom and individual responsibility. The Legislature further finds that no citizen can or should be required to waive or abrogate his or her right to possess and securely keep firearms and ammunition locked within his or her motor vehicle by virtue of becoming a customer, employee, or invitee of any employer or business establishment within the state, unless specifically required by state or federal law.

(4) PROHIBITED ACTS.--No public or private employer may violate the constitutional rights of any customer, employee, or invitee as provided in paragraphs (a)-(e):

(a) No public or private employer may prohibit any customer, employee, or invitee from possessing any legally owned firearm when such firearm is lawfully possessed and locked inside or locked to a private motor vehicle in a parking lot and when the customer, employee, or invitee is lawfully in such area.

(b) No public or private employer may violate the privacy rights of a customer, employee, or invitee by verbal or written inquiry regarding the presence of a firearm inside or locked to a private motor vehicle in a parking lot or by an actual search of a private motor vehicle in a parking lot to ascertain the presence of a firearm within the vehicle. Further, no public or private employer may take any action against a customer, employee, or invitee based upon verbal or written statements of any party concerning possession of a firearm stored inside a private motor vehicle in a parking lot for lawful purposes. A search of a private motor vehicle in the parking lot of a public or private employer to ascertain the presence of a firearm within the vehicle may only be conducted by on-duty law enforcement personnel, based upon due process and must comply with constitutional protections.

(c) No public or private employer shall condition employment upon either:

1. The fact that an employee or prospective employee holds or does not hold a license issued pursuant to s. [790.06](#); or
2. Any agreement by an employee or a prospective employee that prohibits an employee from keeping a legal firearm locked inside or locked to a private motor vehicle in a parking lot when such firearm is kept for lawful purposes.

(d) No public or private employer shall prohibit or attempt to prevent any customer, employee, or invitee from entering the parking lot of the employer's place of business because the customer's, employee's, or invitee's private motor vehicle contains a legal firearm being carried for lawful purposes, that is out of sight within the customer's, employee's, or invitee's private motor vehicle.

(e) No public or private employer may terminate the employment of or otherwise discriminate against an employee, or expel a customer or invitee for exercising his or her constitutional right to keep and bear arms or for exercising the right of self-defense as long as a firearm is never exhibited on company property for any reason other than lawful defensive purposes.

This subsection applies to all public sector employers, including those already prohibited from regulating firearms under the provisions of s. [790.33](#).

(5) DUTY OF CARE OF PUBLIC AND PRIVATE EMPLOYERS; IMMUNITY FROM LIABILITY.--

(a) When subject to the provisions of subsection (4), a public or private employer has no duty of care related to the actions prohibited under such subsection.

(b) A public or private employer is not liable in a civil action based on actions or inactions taken in compliance with this section. The immunity provided in this subsection does not apply to civil actions based on actions or inactions of public or private employers that are unrelated to compliance with this section.

(c) Nothing contained in this section shall be interpreted to expand any existing duty, or create any additional duty, on the part of a public or private employer, property owner, or property owner's agent.

(6) ENFORCEMENT.--The Attorney General shall enforce the protections of this act on behalf of any customer, employee, or invitee aggrieved under this act. If there is reasonable cause to believe that the aggrieved person's rights under this act have been violated by a public or private employer, the Attorney General shall commence a civil or administrative action for damages, injunctive relief and civil penalties, and such other relief as may be appropriate under the provisions of s. [760.51](#), or may negotiate a settlement with any employer on behalf of any person aggrieved under the act. However, nothing in this act shall prohibit the right of a person aggrieved under this act to bring a civil action for violation of rights protected under the act. In any successful action brought by a customer, employee, or invitee aggrieved under this act, the court shall award all reasonable personal costs and losses suffered by the aggrieved person as a result of the violation of rights under this act. In any action brought pursuant to this act, the court shall award all court costs and attorney's fees to the prevailing party.

(7) EXCEPTIONS.--The prohibitions in subsection (4) do not apply to:

(f) A motor vehicle owned, leased, or rented by a public or private employer or the landlord of a public or private employer.

(g) Any other property owned or leased by a public or private employer or the landlord of a public or private employer upon which possession of a firearm or other legal product by a customer, employee, or invitee is prohibited pursuant to any federal law, contract with a federal government entity, or general law of this state.

[790.115](#) Possessing or Discharging Weapons or Firearms at a School-Sponsored Event or on School Property Prohibited; Penalties; Exceptions.—

(2)(a) A person shall not possess any firearm, electric weapon or device, destructive device, or other weapon as defined in s. [790.001](#)(13), including a razor blade or box cutter, except as authorized in support of school-sanctioned activities, at a school-sponsored event or on the property of any school, school bus, or school bus stop; however, a person may carry a firearm:

3. In a vehicle pursuant to s. [790.25\(5\)](#); except that school districts may adopt written and published policies that waive the exception in this subparagraph for purposes of student and campus parking privileges.

(b) It is further the intent of this section to deter and prevent the violation of this section and the violation of rights protected under the constitution and laws of this state related to firearms, ammunition, or components thereof, by the abuse of official authority that occurs when enactments are passed in violation of state law or under color of local or state authority.

(b) If any county, city, town, or other local government violates this section, the court shall declare the improper ordinance, regulation, or rule invalid and issue a permanent injunction against the local government prohibiting it from enforcing such ordinance, regulation, or rule. A court shall award the prevailing plaintiff in any such suit:

1. Reasonable attorney's fees and costs in accordance with the laws of this state, including a contingency fee multiplier, as authorized by law; and

Note: From an Attorney in Florida:

The power of the Governor to act in emergencies is pursuant to Florida Statutes 14.021 and 252.36. In these situations the Governor issues a "proclamation" as to what the emergency is, and what measures he's authorized to deal with it. Each proclamation is individual in its scope, and must be read to determine what is prohibited or restricted.
